**Builders Association Announces Upcoming OSHA Update for
Residential Construction Class**

(Plymouth, WI) April 6, 2011 – Sheboygan County Home Builders Association (SCHBA), in affiliation with the Wisconsin Builders Association (WBA) Foundation, announced today that it will be providing an OSHA Update for Residential building Contractors class, May 11, from 8:00 a.m. – 12:30 p.m. at Chissy's Pub & Grill, 502 N. Mill St. Waldo, WI

Class attendees will learn the importance of OSHA required compliance to prevent injuries and deaths on the jobsite; including information on fall-protection changes effective June 13, 2011 for all residential contractors. This class is approved by the WI Department of Commerce for four (4) continuing education credits toward the Dwelling Contractor Qualifier Credential.

To register, visit www.wisbuild.org or contact Mary Hauser at 920.892.6280

The Sheboygan County Home Builders Association has 145 members living and working in the Sheboygan County Area. They are an organization of active professionals affiliated with the Wisconsin Builders Association and the National Association of Home Builders. SCHBA promotes the American dream of home ownership by working for quality, safe and affordable housing in Wisconsin. For more information about the association or details on the this and other educational programs, visit the web site at www.schba.org. or call 920-892-6280.
